

## HOLLINS CAMPUS SECURITY OVERVIEW

Hollins University Campus Security is a multi-faceted operation that performs a wide range of services for the campus. Here is an overview of those key areas of support.

– 1 –

Open 24/7 to serve students and the campus community.

– 2 –

Response to campus emergencies or when called.

– 3 –

Liaison with Roanoke County officials.

– 4 –

Daily, 24/7 services for the purpose of monitoring the physical security and safety of campus buildings and grounds. This includes handling building unlocks and lockups.

– 5 –

Parking and traffic management, along with upholding university parking and traffic policies.

– 6 –

Emergency preparedness: oversight of emergency response.

– 7 –

Campus escorts.

– 8 –

ID card services for faculty, staff, and students.

– 9 –

Lost and found property management.

– 10 –

Special permits issued for bike registration and visitor parking.

– 11 –

Car battery jump starts.

Located in Botetourt Hall. Non-Emergency call (540) 362-6419. Emergency call (540) 362-6911. Please note, you may dial 911 but it may take longer for Roanoke County emergency services to respond.
